Subject: Re: CFTC v. McDonnell briefing schedule

Hi David,

Also, please attach this email to above for filing Court today accordingly. I attempted at first to plead help and/or relief from Judge Weinstein. After the attack of your agencies response to said plea I am very frustrated. I am not an attorney and this case has gotten way too complex for my comprehension level. I cannot put myself in a position of such nature as I do not even know the true meaning of "Scheduling Briefing". So the remarks made in regards to my plea are insulting and untrue I am fighting just to live my life daily. On another note, as your agency clearly knows, I have been battling a life altering illness since 2013 which we addressed throughout all of this and deposition when you had to lower the air conditioning because my body reacted in uncontrollable shivers which your agency apologized for two times at least on record. I have been trying to keep this personal issue off record but forced to discuss it now. I am below poverty level and cannot understand what type of relief could possibly be gained by continuing to waste precious time of the Court. You are suing an indigent in civil court who cannot afford to hire a lawyer more or less pay \$500,000+ in restitution, etc. Also, I believe this number to be fabricated in general as I am innocent and do not believe you can prove such evidence as fact outside of a preponderance claim.

Regards,

Patrick K. McDonnell

Hi David,

David I'm just done completely with all of this YOU WIN, get it? I want to be left alone. Please tell Judge Weinstein I cannot go any further with this respectfully and rescind those earlier ECF filings. Whatever it is going to be, it is going to be, I no longer wish to fight, I am not qualified to do so legally. So please make this my official message to the Court tomorrow superseding any prior ECFs filed tonight I just cannot go on. Judge Weinstein has been more than fair throughout yet I am in no position, in any way, for this currently.

Thank You,

We believe a reasonable schedule for briefing will be approximately 2 weeks for our side to serve and file our post-trial filings, 2 weeks for you to serve and file an opposition (if any), and 2 weeks for us to prepare a reply (if any).

Please let us know if you agree and we will let the court know.

Also, for purpose of scheduling a hearing on those filings, if there are any days in August or September that you know that you will be out of town and unavailable, please provide them.

Very truly yours,

David W. Oakland
